Dear Abattoir Owner

Re: Appointment of Meat Inspection Service Provider

The letter serves as an official correspondence regarding the appointment of Meat Inspection service providers. The Minister of Agriculture, Forestry and Fisheries has under section 4 of the Meat Safety Act, 2000 (Act 40 of 2000) with effect from the 19 December 2017 assigned Meat Inspection service providers (**see attached list**) under the Meat Inspection Scheme created under section 12 of the Act, to implement Meat Inspection at establishments regulated under the Act. You are therefore requested to ensure compliance by procuring a Meat Inspection service from the approved list of assigned Meat Inspection Service Providers as per the attachment. The date of completion for this exercise should be **31 March 2018**.

Please confirm your compliance with the relevant Veterinary Public Health Official responsible for your abattoir through an official letter by no later than the **31 March 2018**.

For more information and clarity please don't hesitate to contact your regional VPH official.

Yours sincerely

^ Dr PS Kegakilwe
